

**2000 BEECHCRAFT KING AIR C90B**  
N990LA – SN LJ-1613  
**PRICE: INQUIRE – TRADES WELCOME!**

*Premier*  
Aircraft Sales, Inc.

***Rare, highly desirable King Air 90B with Blackhawk XP135A engine upgrade! The Blackhawk conversion offers a 36% increase in horsepower which provides a 59% increased climb rate, a 36 knot increase in cruise speed to 270 knots and a 10% savings in fuel! This plane has no damage history, has had great care and is up to date on maintenance. Aircraft had new paint and interior by Murmer in 2012. All records and time life reports are available on JSSI's Sierra Trax. It is ready to go for you right away. We are a fully stocking dealer so we can take your plane in trade and help with financing, insurance, and training.***
