

**Truly Global Connectivity
on Your Own Mobile Devices**

KEEPING YOU CONNECTED IN FLIGHT WITH THE IRIDIUM GO!

Iridium GO! provides global voice calling and text messaging solutions for your smart device, as well as enhanced data capabilities offered through optimized apps to meet your unique needs. No worries. No roaming charges. Just connected and in touch wherever you are, whenever you need, with the devices you rely on everyday.

TRANSFORM YOUR SMARTPHONE

Iridium GO! instantly transforms your trusted device into a global communications powerhouse. Anytime you're in the air or off the grid Iridium GO! provides global voice, email, weather and text messaging. Specialized third-party apps designed for the aviation market make Iridium GO! the ideal communications tool for aviators needing to stay connected.

ACR BIVY STICK
Take it everywhere.
Communicate from anywhere.

BIVY STICK TWO-WAY SATELLITE COMMUNICATOR

Use the Bivy Stick to turn your cell phone into a satellite communication device. With global satellite coverage via the Iridium satellite network, anywhere you have a view of the sky, you can communicate through the Bivy Stick. While conveniently compact, the Bivy Stick still offers a comprehensive feature set including two-way text messaging, SOS, location sharing, one-touch Check-in, and detailed weather reports sent straight to your cell phone via satellite.

THE SMALLEST, MOST SIMPLE SATELLITE COMMUNICATION DEVICE

Weighs just 100 grams, about half the weight of your cell phone.

TWO EXCLUSIVE DEALS FOR PREMIER AIRCRAFT CUSTOMERS
